

Health Sector Review

Partners' Membership in Thematic Groups

Presentation for Development Partners-Meeting
21st December 2005

General Considerations

- Partners need to participate actively in the whole process
- Partners should participate in TGs according to their area of expertise
- Partners are welcome to participate in more than one TG
- Each review issue within thematic area needs two “champions”, one from MoPHP, one from partners

Next Steps

- Discussion today
- Partners to express their interest in participating in specific TGs
 - Please fill in provided table and send to HPTSU before 31st December
